

If you are taking measurements to place an order please follow this guide. If you have any questions please do not hesitate to contact us for assistance, as it is most important that your measurements are correct.

You require

- A fabric tape measure.
- A person to measure you.
- To be wearing a comfortable fitting shirt, pair of trousers (not jeans) and a pair of shoes.

When taking the measurements

- Keep the tape measure comfortably snug, but not too tight.
- All measurements should be taken to the nearest centimetre or half inch..

Waist

- Measure around your waist, just inside where you like the top of your trousers to sit.
- Make sure the tape does not ride over the waistband but you should be able to put your index finger inside the tape.

Seat

- This should be taken at the widest point.
- Ensure your pockets are empty.

Inside Leg

- Wearing trousers and shoes measure from the lowest part of the crotch of your trousers down to where you wish the trousers to end at the hem.
- As a guide, with shoes, measure to the point where the sole of the shoe joins the uppers of the shoe.

Outside Leg

- Wearing trousers and shoes measure from the top of the waistband to where you wish the trousers to end at the hem.
- As a guide, with shoes, measure to the point where the sole of the shoe joins the uppers of the shoe.
